

Kalyan Raparathi

E-mail : kalyanraparathi3262@gmail.com

Phone : 07799553262

Address: hno 1-5-639/4, sree nagar colony, old alwal,secunderabad,Telengana, India

Objective

To be an employee where I can contribute my skills and experience to the further development of the organization and achieve growth in my professional career.

Strengths

- Have good knowledge in modern manufacturing techniques and design.
- Impressive personality , good communication skills .
- Enthusiastic to learn trending things.
- Innovative thinker and believe in smart work .

Software skills

- AUTOCAD
- CATIA
- SOLID WORKS.
- Basic C programming .
- MS OFFICE

Work experience

Hindusthan shipyard

06-06-2016 — 18-06-2016

Project management

- Performed general office duties and administrative task.
- Performed general check up of ship engine .
- Studied the design and manufacturing process involved in making of ships.

Adishwar Auto Diagnostics Pvt ltd
(Mercedes-benz)

Oct 19th 2015 — Oct 24th 2015

Automobile maintenance

- To perform automobile service .
- To study the functions of the company .

Projects

1. 3D PRINTER

AUGUST 2016 - MAY 2017

3d

printer is the latest technology in manufacturing field,it involves in additive manufacturing through which wastage of material is reduced. It can manufacture complex shapes such as 3 dimensions where by traditional process cant perform.The unique feature we introduce to the world of 3d printing is metallic 3d printing.

ESP is a electronic device used to absorb carbon particles that passes through it.

3.CONDENSED WATER COOLER

Using copper tube for condensing the water for decreasing air temperature.

Education

B.Tech in mechanical

September 2013 — May 2017

St.Martin's Engineering college

Obtained the B.Tech degree with 65%

Intermediate

June 2011 — March 2013

Narayana Junior college

Obtained intermediate degree with 66%

Secondary school 10th

— April 2011

Bashyam high school

Obtained secondary school education with 76%

Achivements

- Our project won second prize in SWITCH a national level conference conducted in gujarat .
- Our project got selected as best innovative project from telengana state.
